

Dear Volunteer:

Please record your hours whenever you spend time volunteering for Rest Ministries. These figures are very important for our grants and other planning procedures. Please contact me if you have any questions.

I will request your time sheets approximately every 6 months, but I may contact you before this date to get an hour count for various reasons.

Thanks again for becoming part of our Rest Ministry Team. We are so glad to have you on board!

Lisa Copen  
Executive Director
